

## **Innovation 2023-2024 Safety Patrol Presentation**

**Eligible patrols are all  
4th and 5th grade  
students.**

# Expectations

As a rising 4th and 5th grader, you are eligible to apply for Innovation's Safety Patrol team! Safety Patrols are expected to be ***dependable, prompt, responsible and role models.***

If selected for a job, you will be setting an example for other huskies.

This is an excellent way to build character and leadership skills!!

**Morning Jobs: 8:45-9:00 am (\*must have reliable transportation to be on duty by 8:45),  
Afternoon Bus Duty (\*must be a bus rider)**

# Safety Patrol

**How Often?** Depends on how many students sign up, usually 2 week rotations. Bus duty may be everyday depending on number of applicants.

**Time?** Morning patrols arrive between 8:35 and 8:45. No one will be allowed to enter the building before 8:35am.

**Location?** Morning patrols can leave backpacks in the gym or go directly to their assigned duty. Duties will be scheduled and rotated throughout the year. Patrols are responsible for knowing when they are on duty. **Requirements?** Safety Patrols are expected to monitor their assigned areas and ensure that ALL students are following our CARES expectations.

# Parents and Guardians

Please be sure to provide a reliable email address. We send out reminders and share important information throughout the year.

Morning duty schedules will be posted in the gym and we will share a copy with you via email. Please note the weeks your child is scheduled to be on duty throughout the year.

We thank you for your support!

## Next Steps:

If interested, there will be two informational meetings during specials.

Fourth grade will meet in the gym on Monday, June 5th at 12:20

Third grade will meet in the gym on Thursday, June 9th at 11:15.

Any interested students can “shadow” a morning or afternoon patrol during the last week of school, June 12th -June 16th.
